

ARCHITECTURE AND THE BUILT ENVIRONMENT

The subject covers all forms of research that are relevant to the built environment, including research in architecture, building science and building engineering, construction, landscape, surveying, urbanism, and other research in which the built environment (including its operation and use) forms a major field for application or provides the context for research.

| List of Institutions | |
|---|----------------------------|
| Institution Name | Kuwait Office Index |
| University of Salford | 135 |
| University College London | 102 |
| University of Ulster | 57 |
| Loughborough University | 53 |
| University of Nottingham | 49 |
| University of Bath | 44 |
| University of Reading | 42 |
| Heriot-Watt University | 41 |
| Cardiff University | 41 |
| University of Sheffield (Architecture) | 39 |
| University of Liverpool | 35 |
| University of Edinburgh | 34 |
