

## HISTORY

The subject includes all aspects of the study of the past except those specifically falling within the remit of other subjects. The subject covers all areas of history, including but not limited to (listed alphabetically): business history, cultural history, economic history, environmental history, historiography, history of Britain, Ireland and Continental Europe (late Roman to the present) history of ideas, history of North America, South America, Africa, Asia and Australasia, history of science, technology and medicine, imperial/colonial history international history, local and regional history, media history, military history, oral history, political history, public history religious history, social history, women's and gender history. This list is illustrative rather than exhaustive: it does not reflect any judgments about the relative significance of the subject areas, nor does it specify 'fields.'
